## SUMMARY

Thank you for visiting my profile.

I am a senior Full Stack Developer with 7 years of experiences, who is currently a freelancer in Japan and United States, and who can complete your project with 100% honesty.

When I work for my clients, I push myself to create high-quality work while keeping an eye for the most minutes details to ensure a product that won't fail.

Furthermore, I really enjoy this type of work, as I make new and awesome projects come to life for clients with a dream.

I will do my best to provide the perfect product for you.

I can help you with my skills to achieve your goal.
